CRIMINAL ACTION NO. 2:21-CR-00411

MEMORANDUM OPINION AND ORDER OF DETENTION PENDING TRIAL

A detention hearing has been held in accordance with the Bail Reform Act, 18 U.S.C. § 3142(f). The government presented the testimony of Drug Enforcement Administration Task Force Officer Mark Flores. The following requires detention of the defendant pending trial in this case:

(1) There is probable cause to believe the defendant committed an offense for which a maximum term of imprisonment of ten years or more is prescribed in 21 U.S.C. § 841(b)(1)(B); and

(2) The defendant has not rebutted the presumption that no condition or combination of conditions will reasonably assure the appearance of the defendant as required and the safety of the community.

The evidence against the defendant meets the probable cause standard, as a federal Grand Jury has true-billed an indictment in this case. The defendant was on bond at the time of this offense and has a pending motion to revoke his state felony bond. He is a poor

candidate for bond. The findings and recommendations of the U.S. Pretrial Services Report are adopted by the Court.

The defendant is committed to the custody of the United States Marshal or his designated representative for confinement in a corrections facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal. The defendant shall be afforded a reasonable opportunity for private consultation with defense counsel. On order of a court of the United States or on request of an attorney for the Government, the person in charge of the corrections facility shall deliver the defendant to the United States Marshal for the purpose of an appearance in connection with a court proceeding.

The Defendant may file a motion to re-open the detention hearing in this case if he is able to resolve his pending state case.

ORDERED on May 27, 2021.

Julie K. Hampton
United States Magistrate Judge
